

Cardiology

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

Access to physicians dedicated to diagnosing and treating cardiovascular conditions

- Provides access to board certified cardiologists
- Bring affordable, convenient, and trusted care to support your providers and staff.
- Personable, quality care that puts staff and patients at ease
- Expand the scope of care while keeping more patients in your community

Reduce Patient Transfers

Our telemedicine programs have proven to reduce patient transfers by up to 70%*.

** Based on neurology/stroke care. Results may differ.*

Hospital Challenges

- Access to experienced board-certified physicians to support care for patients
- Physician burnout and work/life balance
- Cost of patient care
- Limiting outmigration of patients

We're with you every step of the way, partnering for the future

Teledigm Health and Bryan Telemedicine offer the region's most trusted medical partners to provide telemedicine, inpatient and specialty consultations as well as specialized medical support services.

As you explore ways to enhance care to your community, we are here to work with you offering:

- Evidence-based, best practice medical consultations and care
- Personable, patient focused physicians and health care professionals to provide the best possible communication, trust and care
- Flexibility to fit your needs
- Secure, HIPAA compliant, easy-to-use and reliable video/audio telemedicine equipment
- Cost effective solutions for physician coverage and service expansion opportunities
