

Emergency Care

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

Immediate Access to Board Certified Physicians to Assist in the Care of Your Emergency Department Patients

- Bring affordable, convenient and trusted care to support your providers and staff in the Emergency Department
- Supports your medical staff and encourages recruitment of new providers
- Strong focus on working with your doctors, advanced practice providers and nurses
- Personable, quality care that puts staff and patients at ease
- Provide expert backup and consultation support for advanced practice clinicians
- Expand the scope of care while keeping more patients in your community

Hospital Challenges

- Immediate access to experienced board certified physicians to support care for emergency patients
- Physician burnout and work/life balance
- Physician support for advanced practice clinicians
- Limiting outmigration of patients
- Recruiting advanced practice providers with substantial Emergency Department experience

Reduce Patient Transfers

Our telemedicine programs have proven to reduce patient transfers by up to 70%.

We're with you every step of the way, partnering for the future

Teledigm Health and Bryan Telemedicine offer the region's most trusted medical partners to provide telemedicine, inpatient and specialty consultations as well as specialized medical support services.
