

Hospitalist Care

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

Partnering with Hospitals to Serve Your Patients in Your Community

- Bring affordable, convenient and trusted inpatient care to your community
- Access to advanced practice providers and board certified physicians with experience in hospitalist medicine
- Hospitalist coverage supports your nurses and medical staff and encourages recruitment of new physicians
- Personable, high-quality care that puts staff and patients at ease
- Expand the scope of care offered while keeping more patients in your community
- Sophisticated telemedicine technology allows provider to assess, diagnose and manage patient care
- Various program models and scheduling options

Hospital Challenges

- Physician burnout and work/life balance
- Physician and recruitment shortage
- Increasing cost of physician staffing
- Limiting outmigration of patients
- Immediate access to physicians providing care 24/7/365

Reduce Patient Transfers

Our telemedicine programs have proven to reduce patient transfers by up to 70%.

We're with you every step of the way, partnering for the future

Teledigm Health and Bryan Telemedicine offer the region's most trusted medical partners to provide telemedicine, inpatient and specialty consultations as well as specialized medical support services.
