

Mental Health/Triage

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

Convenient Care from the Region's Leading Mental Health Providers

- Bring affordable, convenient and trusted care by licensed mental health professionals to your community
- Services include:
 - Emergency assessment in your local Emergency Department by licensed mental health social workers
 - Assistance with inpatient mental health hospitalization or recommendations for community resources based on the emergency assessment
 - Outpatient medication management by APRN psychiatry specialists for ongoing care, coordinated with your primary care physicians
 - Individual outpatient counseling
- Personable, quality care that puts staff and patients at ease
- Treat more patients locally – convenient for your patients, beneficial for your hospital

Reduce Patient Transfers

Our telemedicine programs have proven to reduce patient transfers by up to 70%.

Hospital Challenges

- Board certified pulmonary and critical care physician coverage
- Cost of care for critically ill patients
- Physician burnout and work/life balance
- Limiting outmigration patients
