

# Peer Review

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

## Partnering with You to Provide Comprehensive, Independent Peer Review for Practitioners, Web-Based for Your Convenience

- Provides objective, meaningful peer review services for physicians and advanced practice providers to support quality of care and performance improvement opportunities
- Board certified physicians actively practicing in Nebraska
- Detailed, clinically relevant, comprehensive review includes objective feedback and education on current standards of care
- Rapid turnaround – Under 30 days in most circumstances
- Quality reviews billed at a set rate for each peer review completed
- Convenient, confidential web-based technology is user-friendly and HIPAA compliant
- Our team provides orientation to the system and is available for any questions
- Commitment continues beyond orientation with regular follow-up opportunities to assess the process through meetings and surveys
- Specialty peer review options available

## Hospital Challenges

- Meeting regulatory requirements of case review and quality of care standards
- Inability to conduct peer reviews without conflict of interest or anonymously
- Lack of time for providers to conduct peer reviews
- Access to timely and affordable Peer Review services

### Reduce Patient Transfers

Our telemedicine programs have proven to reduce patient transfers by up to 70%.
