

Remote Pharmacy Services

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

24/7 Access to Experienced Hospital Pharmacists

- Affordable, trusted and convenient access to a licensed pharmacist with hospital experience; 24/7/365
- Prospective drug review services include:
 - Therapeutic duplication
 - Drug-disease contraindications
 - Drug-drug interactions
 - Drug-allergy interactions
 - Dosage review: incorrect drug dosage or duration of drug treatment
 - Clinical abuse or misuse
- Meets clinical documentation requirements for drug administration
- Personable pharmacist care that puts staff at ease
- Flexible coverage options to meet every hospital's needs. From a few hours a day to 24/7/365

Hospital Challenges

- Compliance with federal and state regulations requiring pharmacist review of all hospital medication orders
- 24/7/365 availability of pharmacists
- Cost of care for 24/7/365 pharmacy support

Reduce Medication Errors

The U.S. Food and Drug Administration receives more than 100,000 suspected medication error reports each year.

We're with you every step of the way, partnering for the future
