

# Outpatient Infectious Disease

Teledigm Health, in partnership with Bryan Telemedicine, sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

## Outpatient Care for Infectious Disease Patients

- Provides access to board certified infectious disease physicians
- Bring affordable and trusted care to your hospital; expand the scope of care you offer and keep more patients in your community
- Personable, high-quality providers that put patients and staff and families at ease
- Outpatient specialist clinics allow providers to diagnose patients using sophisticated telemedicine technology located in your community hospital or clinic
- Flexible clinic scheduling options include partial day, half day, full day or on demand scheduling
- Peer to peer consultations available

### Infected Disease Physicians

Infectious Disease physicians focus on diagnosis and treatment diseases caused by bacteria, viruses and fungi.

## Hospital Challenges

- Access to board certified infectious disease physician coverage
- Local provider infectious disease expertise
- Physician burnout and work/life balance
- Limiting outmigration of patients

# We're with you every step of the way, partnering for the future

Teledigm Health and Bryan Telemedicine offer the region's most trusted medical partners to provide telemedicine, inpatient and specialty consultations as well as specialized medical support services.
