

Mental & Behavioral Health

Teledigm Health sets the industry standard in telemedicine, providing a deep bench of clinical staffing resources and technical support with a focus on innovation and sustainability.

Connect with Behavioral Health Specialists for Complete Care

Mental health issues affect one in five people in the United States. Teledigm Health delivers comprehensive mental and behavioral health solutions to rural care providers.

- Acute Psychiatry
- Outpatient Psychiatry
- ER Mental Health Triage
- Counseling
- Health Psychology
- Pediatric Psychiatry
- Pediatric Counseling
- Employee and Student Care Programs
- Substance Abuse Intervention Nurse Program

Hospital Challenges

- Over 50% of counties in the United States have no behavioral health providers
- 62% of Americans suffering from mental illness do not receive treatment
- Lack of comprehensive care in rural areas
- Access to physicians providing care 24/7
- Transfers to other care facilities required for assessment and treatment

Teledigm Health Telemedicine offers the region's most trusted medical partners to provide on-call ER, inpatient and specialty consultations as well as specialized medical support services.

As you explore ways to enhance care to your community, we are here to work with you offering:

- Evidence-based, best practice medical consultations and care
- Personable, patient focused physicians and health care professionals to provide the best possible communication, trust and care
- Flexibility to fit your needs
- Secure, HIPAA compliant, easy-to-use and reliable video/audio telemedicine equipment
- Cost effective solutions for physician coverage and service expansion opportunities

We're with you every
step of the way,
partnering for the future

Each community has unique patient needs.
We're here to partner with you to meet your needs.
